

User's Manual

Thank you for purchasing Bentgo Pop! We designed this durable, leak-proof lunch solution with a vibrant pop of color plus a flexible compartment tray made for packaging healthy, balanced meals.

Features

- Leak-proof compartment tray
- Removable divider fits in the largest compartment to create an additional 4th compartment*
- Dishwasher, microwave & freezer-safe (we recommend hand washing outer shell to preserve leak-proof seal)
- Food-grade safe and eco-friendly materials
- No BPA, PVC, phthalates, lead, or vinyl

*Removable divider is only ideal for keeping dry foods separated. It will not prevent foods with juices from seeping through divider.

Using Your Bentgo Pop

1. Lift the locking clip on the front of Bentgo Pop to open it.
2. Add the removable divider into one of the two positions in the main compartment to create the perfect sized 4th compartment when needed.
3. Fill each compartment with your desired entree and sides.
4. Close the lid and secure the locking clip.

Removing the Tray

We have designed the compartment tray with a notch in the front to keep the tray from lifting when the lid is opened.

- To insert the tray, slightly angle the front down and insert it into the outside shell first (see image below). The notch will line up with its counterpart in the shell. Once done, simply push the back of the tray down into the shell.
- Do the opposite to remove the tray — push the back of the tray up first and then slide out.

Special Use & Care Instructions

- Wash before initial use.
- Removable tray is top-shelf dishwasher safe.
- Hand wash the outer shell to maintain the leak-proof seal on the silicone lining and to prevent damage to the locking clip. Thoroughly dry.

Warnings

- Microwaving the tray is for reheating only — Do not microwave for more than 3 minutes.
- To ensure mess-free opening and closing of your Bentgo Pop, do not overfill sauce or other compartments.

Product Warranty

Bentgo offers an industry-leading 2 Year Warranty. If you have warranty or product questions, please contact us directly at:
