

# bentgo<sup>®</sup> snack cup

## User's Manual

Thank you for purchasing the Bentgo Snack Cup. This stylish and leak-proof snack solution is designed for taking portion-perfect snacks and small meals on-the-go. With a 16-oz. base, 4-oz. toppings compartment, and dual-sealing lid, it is ideal for packing a variety of snacks that have a separate side, topping, or dip.

### Features

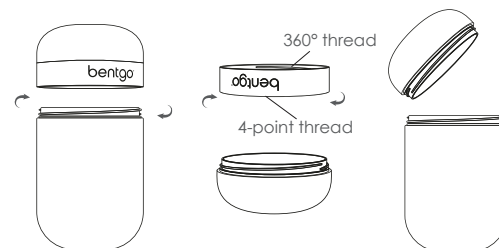

- Multi-storage compartments
- Leak-proof design
- Microwave safe
- Dishwasher safe
- No BPA, phthalates, or lead

### Packing Your Bentgo Snack Cup

1. Unscrew the dual-sealing lid from the 16-oz. base counterclockwise. Add yogurt, smoothies, veggies, fruit salad, and more to the base. It's 100% leak-proof! Do not fill past the "MAX FILL" line printed inside the base.
2. Unscrew the dual-sealing lid from the 4-oz. toppings compartment counterclockwise.

3. Add dry snacks or creamy dips to the toppings compartment. Screw the dual-sealing lid onto the toppings compartment and securely screw both on the base.

**NOTE:** The 360° thread on the bottom of the dual-sealing lid offers a 100% leak-proof seal for liquid ingredients in the base cup. The 4-point thread on the top of the dual-sealing lid offers leak protection in the toppings compartment for creamy foods like dips and yogurt, but not liquids. Always attach the dual-sealing lid as shown above to ensure a 100% leak-proof seal when packing liquids in the base cup.

### Unpacking Your Bentgo Snack Cup

1. Always remove the dual-sealing lid from the 16-oz. base first, then turn upside down to open the 4-oz. toppings compartment.
2. If desired, add items from the toppings compartment to the base when ready to be enjoyed together!

### Special Use & Care Instructions

- Wash before initial use.
- Bentgo Snack Cup is top-shelf dishwasher safe only.
- Thoroughly dry after each wash.
- Bentgo Snack Cup is freezer safe.

### Warnings

- The 4-oz. toppings compartment is only leak-proof for creamy foods like dips or yogurt. Do not add water or juice. The 16-oz. base is completely leak-proof.
- Remove the dual-sealing lid when microwaving.
- Do not microwave longer than 5 minutes.
- Snack Cup is not insulated. Use an ice pack to keep food cold.
- We do not recommend using to transport hot liquids.
